Rogich Parents and Students:

With student and staff safety being our number one concern, I want to ask for your help. School begins each day at 8 AM. We do not open the doors to allow students to enter the building until 7:50 AM. Students participating in the school breakfast program may enter at 7:35 and report to the cafeteria where they remain supervised until the bell rings at 7:50 AM. All students are welcome to take advantage of the free breakfast program daily. They are supervised in the cafeteria from 7:35 – 7:50 at which time they may enter the quad.

Students are arriving on campus as early as 6:45 AM. We do have students with an early bird class who arrive at 6:55 AM however, we are finding more and more students being dropped off or arriving as early as 6:45 with numerous students arriving much earlier than 7:50.

We do not provide supervision until 7:45 AM. Often we see students being dropped off very early only to leave campus to hang out with friends down on Pavilion Center and close to the shopping areas nearby. This presents a very unsafe situation for everyone.

There is no reason for students to arrive earlier than 7:50 or 7:35 if they wish to eat breakfast in the cafeteria. If a student is getting help from a teacher in the morning, that teacher will provide a pass and contact the parent prior to day they are to arrive early. The teacher will meet them at the doors on Pavilion Center. Please don't assume your child is getting help if they do not have a pass or you hear from the teacher.

If you need to drop off students at an earlier time, the Leisure Center next door to Rogich provides very early supervision at a minimal cost.

Please help us to maintain a safe environment for all students and staff.
