

Rogich Parents and Students:

Thank you to everyone for a great week at Rogich Middle School. Just a reminder that the end of the quarter is just two weeks away. Students need to make sure all make-up work is complete and turned into teachers.

Makeup pictures are scheduled for Friday, September 29, 2023. If you did not have your picture taken earlier this year, please plan to have your picture taken on Friday.

Please note that the PSAT test for our eighth grade students is scheduled for Wednesday, October 4<sup>th</sup>, 2023. We ask for your support as we encourage all eighth grade students to be in attendance on that day. Students will need to bring a charged chromebook along with an attitude for success

Parents, take time to sit down with your students and reflect on this first quarter of the school year. Discuss with your child their individual progress in each class. Set goals for the second quarter of the school year with action steps to reach those goals. Email teachers and ask for specific areas in which you can assist your student. Together we can make such a difference as we strive for academic growth.

Enjoy your weekend.
