Rogich Parents:

Thank you for your support of Rogich Middle School and of our wonderful faculty and staff. To once again be recognized as a Five Star School earning the highest designation with the most points earned of any middle school in the Clark County School District, we are proud and eager to maintain that well deserved recognition. We are the only middle school to maintain our Five Star status every single year, since the beginning of the Nevada School Performance Framework. In addition, Rogich Middle School was designated as the winner of the Superintendent's Cup both years the award has been presented.

These well-deserved accomplishments are the result of a dedicated Rogich faculty and staff who continually provide a high level of rigor, and a culture of high academic achievement. Our extra-curricular activities, athletic programs, Fine Arts programs and the experiences we provide outside of the classroom, help all students find their own success in addition to academic growth.

We appreciate opportunities to recognize and thank our faculty and staff and are reaching out to you to help us make recognition more meaningful and consistent. Please consider making a donation to help us recognize the school-wide success we are so proud to demonstrate. All proceeds will be used to thank our faculty and staff and to recognize our students with programs such as our Student of the Month Recognition. Proceeds will also be used to support our daily operating costs, paid from our recently reduced strategic budget.

Please use the attached link to make a donation. We appreciate your support and dedication to our Rough Rider Family.
