Susan Harrison-Rollins
Principal

March 11, 2021

Parents and Students:

In regards to the Parent Letter that was sent out yesterday, March 10, 2021, an error was made in regards to temperature checks and when a Student will be sent home for a temperature, please see corrected information below:

When entering the building, temperature checks will not be performed on students or staff. However, with any symptoms of an illness, you child will be sent to the Health Office where a contactless temperature check will be performed. If their temperature is elevated to 100.0 degrees Fahrenheit or higher, the parent/guardian will be notified and your child will need to go home.

I apologize for any confusion this error may have caused. Please call with any questions or concerns.

Tami Sacenti, RN
CCSD School Nurse
